10. Which browser are you using? Is there anything not working well within your browser? Which browser are you using? Is there anything not working well within your browser?

Response	Average	Total
Firefox	 83.3%	5
Opera	 16.7%	1
What is not working Editing the profile does not work	 16.7%	1

11. The difficult question. I have been having a lot of problems with the design of the environment for different sized monitors and resolutions. Can you tell me the size of your monitor and if all pages are easily read and appear clearly? The difficult question. I have been having a lot of problems with the design of the environment for different sized monitors and resolutions. Can you tell me the size of your monitor and if all pages are easily read and appear clearly?

#	Response
1	'15 INCH 1024X786
1	12"
1	12". this page for examle is bit unclear and i have to concentrate in order to be able to read.
1	13" Monitor, everything appears clearly but the fonts are a little bit small
1	ort 12 inche.. they appear clearly but not easilv read

12. Finally here is a massive text box, for you to add any other gripes so far? Does anything not work. Is there anything that you would immediately change. Do you think all this work on the computer is scary and not for you? Please Tell Me! Finally here is a massive text box, for you to add any other gripes so far? Does anything not work. Is there anything that you would immediately change. Do you think all this work on the computer is scary and not for you? Please Tell Me!

#	Response
1	...
1	Editing the profile didn't work, also the links were sometimes leading to different pages. But all and all it is a good site.
1	Everything is fine so far.....you rock Mr. Alan
1	i would find it usefel if all the ict courses were done this way, including other subjects as well...
1	no i would love to take ICT next year the only problem is that it might not fit in with all the other subjects that i need to take
